Participation and participation fee

The NL JUDO Open tournament is approved by the Dutch Judo Federation (Judo Bond Nederland). All judo players with a membership of a judo federation officially recognized by the International Judo Federation are welcome to participate.

The participation fee will be € 25,00 per participant, paid during the registration.

The maximum number of participants will be approximately 500 - 550 judo players. We will register extra reserve players and add them to the participation list if it is possible within the program. Results of national championships or European Cups will be taken into account in case of oversubscription.

Both national and international players register via the online registration module.
